

## Voluntary Water Rationing

Due to the continuing hot temperatures & dry conditions, Goldsby Water Authority is requesting VOLUNTARY outside water rationing and will remain in effect until further notice. Outside watering is requested from 7am - 11am and again from 7pm - 11pm.

This measure consists of odd/even rationing:

- \* For those whose address ends in an even number, you can water on even calendar days
- \* For those whose address ends in an odd number, you can water on odd calendar days

Thank you for your cooperation and understanding at this time, we are hopeful this will help in conserving water.

We may have to impose additional measures if it does not.

Thank you.
